

What are the 9 Types and How Do I Get One?

Saturday, January 23, 2021
9:30 am - 3:00 pm AZ/MST
Online via Zoom | \$75

Have you ever wondered *why* it is so important for you to get things right, or to be in charge or to keep the peace at all costs or... (you fill in the blank). Do you ever find that no matter how many times you change your external circumstances – significant other, job, friends, town – you end up recreating the same issues? Have you simply ever wondered what makes people “tick” in such varied ways (and just seem to refuse to see the world the way you do)?

Join us on January 23rd as we explore not only what we and others do, but why we do it.

What you will learn:

- What the 9 Enneagram Types are and what drives their behavior
- Which of the 9 Types describes you best
- How your personality type develops and its relationship to your Essential Self

And that leads to increased understanding, compassion and acceptance for self and others!
